PRINCIPAL'S MESSAGE

Dear Parents

Easter is the most significant event of the Christian calendar. It is a period of intense sorrow for Christians, brought about by the death of Christ on the cross (Good Friday) but also of great spiritual happiness through the miracle of the Resurrection (Easter Sunday).

As Holy Week begins with Palm (or Passion) Sunday last weekend and we recount the time when Jesus arrived in Jerusalem on a donkey and the people of the city layed palm fronds on the road, they joyfully cried out to him, "Hosanna; Blessed is he who comes in the name of the Lord".

Holy Week comprises the seven days before Easter. The last three days of Holy Week link Lent and Easter and they are called the Triduum (meaning three days): Holy Thursday, Good Friday and Holy Saturday. The Easter Vigil begins the new season of Easter on Holy Saturday night.

Proclaiming **ALLELUIA! Christ is Risen** on Easter Sunday is a joyous event. It is a time of great hope, for death has been overcome by God's power and grace.

As we come to the end of our Lenten journey, let us not forget that God made a great promise to all of us by raising Jesus from the dead. Jesus' resurrection is a triumph over death. It also holds the message that love is stronger than hate and hope is stronger than despair.

Throughout the past week our grades have shared with us reflections about these significant Holy Week events.

*We pray for our transformation Resurrection Spirit, O Lord,
We pray for transformation in our hearts and in our attitudes;
For transformed lives; for transformed relationships;
For transformed community; for a transformation of society
and the transformation of the world.*

As this is the final newsletter for the term I would like to thank everyone for all who contributed to St Patrick's being a safe and supportive community throughout the term...

- To our dedicated and thoroughly professional staff
- To our supportive and encouraging parent community
- To our enthusiastic and hard working students

Wishing everyone a safe and relaxing school holiday. We look forward to seeing everyone when we return to school on Monday 19 April.

Principal

At St Patrick's we are making a difference by being safe, respectful learners.

Supporting your Child with Reading

Top 7 Tips for Parents

Tip 1 - Talk to Your Child

As a parent, you are your child's first and foremost teacher. When you help your child with reading, you are opening the door to a world of books and learning. It is the joy and love of sharing a good book on a nightly basis that sets the foundation for your child's reading success, and ensures that reading is seen as a priority.

Learning to read begins with talking. Children need opportunities to interact and talk with others. Recent research indicates that children are communicating with commands and demands rather than being competent in extended conversations. Electronic devices may be inhibiting the time children spend talking. Children need to be included in interactions with significant others and to ensure that happens, children need time away from electronic devices.

Parents need to talk with their children! It is in the context of engaged conversations that children expand their vocabularies, increase their understanding of the world, learn about themselves, and learn the nuances of the language and effective communication.

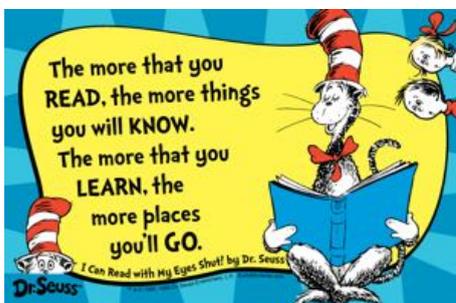

Some ideas to start the talking...

- * Ask your child to tell you about his or her day; about activities they have participated in and what he or she thinks or feels.
- * Tell family stories about yourself, your child's grandparents, and other relatives.
- * Retell family holidays or family events, trying to remember specific details.
- * Ask your child lots of questions.
- * Talk about world issues seen in the media.

Tip 2 - Make Reading Fun

Reading aloud can be a lot of fun, not just for parents but also for all family members.

- * Read with drama and excitement! Use different voices for different characters in the story.
- * Use your child's name instead of a character's name. Make puppets and use them to act out a story.
- * Re-read your child's favourite stories and choose books and authors that your child enjoys.
- * Read stories that have repetitive parts and encourage your child to join in.
- * Read all kinds

Tip 3 - Read Every Day

Reading is something that you and your child can look forward to every day. By taking the time to read with your child, you show him or her that reading is important and fun to do.

- * Set aside a special time each day when you can give your full attention to reading with your child.
- * Choose a comfortable spot to read, where you can be close to your child. Make it your "reading place"!

- * Vary the length of reading time according to your child's age and interests.
- * Read slowly so that your child can form a mental picture of what is happening in the story.
- * Praise your child for his or her ideas and participation!
- * When you and your child are away from home, take along books for your child to read and listen to.
- * Keep reading to your child even after he or she has learned to read. By reading stories that will interest your child can stretch your child's understanding and keep alive the magic of reading.

Tip 4 - Set an Example

As a parent, you are your child's most important role model. If your child sees you reading, especially for pleasure or information, he or she will understand that reading is a worthwhile activity.

- * Read recipes, food labels, schedules, maps, instructions and brochures.
- * Read traffic signs and signs in stores and restaurants.
- * Look up information in cookbooks, manuals, phone books, atlases, and dictionaries.
- * Read greeting cards, letters and e-mail messages to and from relatives and friends.

Tip 5 - Listen to your child read

As your child learns to read, listen to him or her read aloud. Reading to you gives your child a chance to practise and to improve his or her reading skills. As you listen to your child, remember that your reactions are important. Be enthusiastic and praise your child as often as you can. If possible, be specific with your praise so that your child knows what he or she is doing well.

- * Show your child that you are enjoying the story by indicating interest and by asking questions.
- * Give your child time to figure out tricky words, and show your child how he or she can learn from mistakes.
- * Try to have your child read aloud to you at times when there will be no interruptions.
- * Make sure that your child selects books that aren't too difficult. Don't worry if the books your child chooses are a little easier than the ones he or she reads at school.
- * Encourage your child to "listen" to his or her own reading. Listening will help him or her hear mistakes and try to fix them.
- * Take turns reading with your child, especially if he or she is just beginning to read, or try reading together.
- * Talk about a story after your child has read it, to make sure that he or she understands it.

Tip 6 - Talk About Books

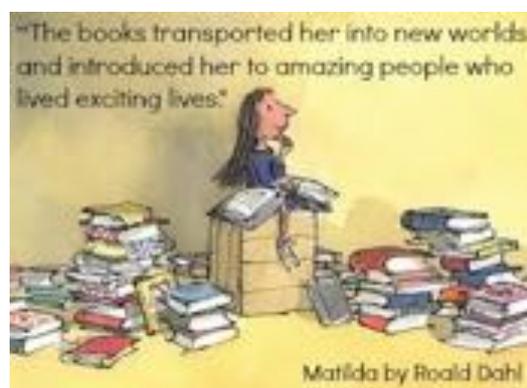

Talking about the books you read is just as important as reading them. Discussing a story or a book with your child helps your child understand it and connect it to his or her own experience of life. It also helps enrich your child's vocabulary with new words and phrases.

- * Ask your child about the kinds of books he or she would like to read.
- * Talk to your child about your favourite books from childhood and offer to read them.
- * Encourage your child to ask questions and to comment on the story and pictures in a book.
- * Look at the cover and the title of a book and ask your child what he or she thinks might happen in the story.
- * Encourage your child to think critically about the story. Does he or she agree/disagree with the author? Why?
- * Think out loud about the story as you read and encourage your child to do the same. For example, ask, "Does this make sense? Why or why not?"

Tip 7 - Show that you value your child's efforts

Remember, your child needs to know that you value his or her efforts. Children learn to read over time, with lots of practise and support from parents and teachers.

- * Be aware of your child's reading level, but use that information in a positive way. Choose books and activities that are at the right level and that will help your child improve his or her reading skills.
- * Be patient and flexible in your efforts to help your child.
- * Show your child that you see him or her as a growing reader, and praise his or her efforts to learn.

Happy Reading & a safe and blessed Easter!!!!

UNDERSTANDING THE LITURGICAL CELEBRATIONS OF THE PASCHAL TRIDUUM

HOLY THURSDAY

On Holy Thursday evening the Church enters the Paschal Triduum - Holy Thursday, Good Friday, and Holy Saturday. The celebration of the Mass of the Lord's Supper on Holy Thursday commemorates the institution of the Eucharist and the priesthood, as well as Jesus' command of love and service.

On Holy Thursday we celebrate the Mandatum, the one commandment that Jesus gives us, to love one another as he has

loved us. This Christian love is expressed mainly as service, which is usually symbolised during this liturgy by the washing of the feet.

GOOD FRIDAY

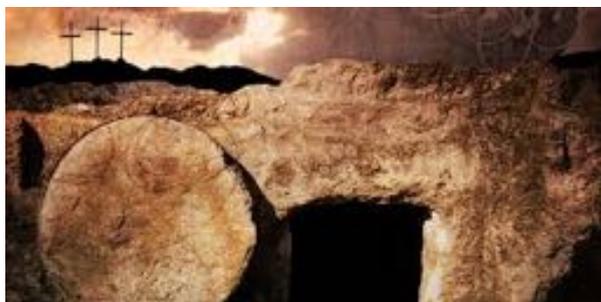

Jesus really died on the cross. People gather together on this day to prayerfully recall Jesus' death "in the sure hope of the resurrection" (Prayer over the People, Good Friday). Because his Resurrection is inseparable from his death, the Lord's Passion is truly celebrated. We should glory in the cross of our Lord Jesus Christ, for he is our salvation, our life, and our resurrection, through him we are saved and made free.

As we contemplate the Crucifix, we know that God cares about our suffering and understands our pain. We are not alone, God listens to our cries, and our prayers. On this day the Church recites solemn prayers for many

intentions before the crucified Lord.

The traditional Good Friday liturgy contains three unique components: the reading of John's Passion, the praying of The Solemn Intercessions, and the Adoration of the Holy Cross. Each of these helps us enter more fully into our relationship with Christ and recommits us to pray and work for the good of the church and world.

HOLY SATURDAY

The Resurrection of the Lord is celebrated as the high point of the liturgical year and the pattern for Sunday Mass throughout the year. The Renewal of our Baptismal Promises on Easter reminds us that in dying with Christ through Baptism, so also do we share in His Resurrection.

On this the greatest night of all, we celebrate the Resurrection of the Lord, which is symbolized by the new fire from which we light the Easter Candle. Every time we light this candle in church during the year it reminds us of the promise of eternal

life, of the certainty of God's victory, of our hope.

WELLBEING

As we reflect back through Term 1, St Patrick's students have gone over the school and class expectations as well as new playground expectations. We have looked at and said "No to bullying" and "Yes to respectful relationships." As we enter into Term 2, Peer Support will be an important part of the students' wellbeing as they learn to work through mini lessons on resilience and learn to support and listen to each other. A learning focus is also in place as the students were introduced to "Learner Qualities" and will have a new focus every fortnight. So far we have looked at- 1) Focus - which is to help them focus on what the task is and how to attend and direct their attention to complete a task. 2) Perseverance- where the students are encouraged to keep going, not give up and persevere through the struggle to get to the end result.

SPORTS UNIFORM

For Term 2, students are to wear their sports uniform on the following days:

Kindergarten - Tuesday & Friday

Extended Leave

Extended leave is considered to be **5 or more** days during the school term for the purpose of a family holiday, family business, bereavement or other reasons. Parents or carers must complete and submit an [Application of Extended Leave](#) form **prior** commencing leave and have it approved by the school Principal. This form is available from the office or on the school website.

NEW CHILD PROTECTION REQUIREMENTS FOR PARENTS

Parents and carers are being encouraged, to once again, become involved in our school life.

A range of checks and undertakings are required for people who work for, or provide services to Parramatta schools. These checks reduce potential risk and form part of our strategy to build child safe communities. CEDP has launched a NEW Building Child Safe Communities undertaking form and online training module that ALL volunteers are required to complete. The purpose of this training is to inform you of the standards of behaviour and other requirements that must be adhered to when volunteering for CEDP.

1. The undertaking should take no more than 5 minutes to complete.
2. The training module should take approximately 10 minutes to complete.

These can be accessed via this [link](#).

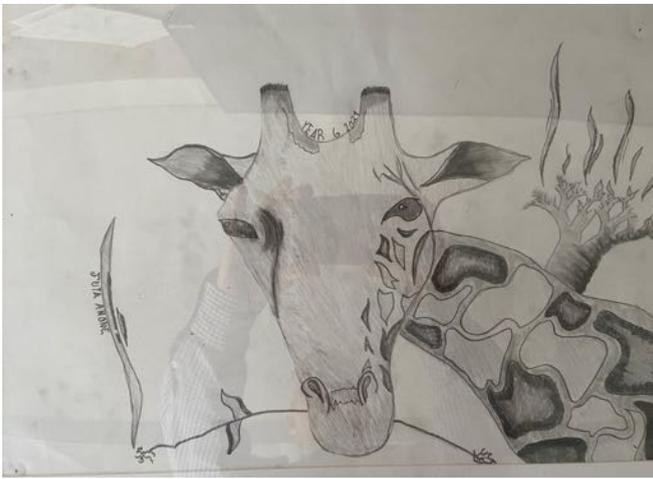

Once the form and training modules are submitted, an automated email will be sent to you within two business days to confirm the status of your submission. The undertaking form will expire within two years and at that time you will need to complete the undertaking form and training module again. You will receive an automatic reminder email when this occurs. Please view the [Video for Volunteers](#) to understand the BCSC process for further information on the new online form and training module.
