Dear Parents and Carers

We understand that the COVID-19 pandemic has affected the personal circumstances of many families in a sudden and unprecedented way. Catholic Education Diocese Parramatta is committed to supporting our families during this difficult time. Our long standing principle remains that **no child will be disadvantaged because of a family's financial circumstances.**

As always, if your family requires some additional support due to financial hardship, please contact your child's school to discuss your options for fee support or deferment. To ensure that this process is fair and aimed at those most in need, you may be required to provide supporting documentation about your circumstances.

If you still have questions or concerns following initial discussions with your school, please contact the Community Liaison team at cl@parra.catholic.edu.au.

Thanks so much for your support of your local Catholic school.

Kind regards,
